Reference: Year End Report (7/1/97-12/31/97)

Dear Mr. Gibson:

This letter is in response to your letters dated March 17, 1998 and April 9, 1998. As I was out of town, the Campaign Committee was not in receipt of your letter dated March 17, 1998 until March 27, 1998. At that time we began the process of gathering information to respond to your request of March 17, 1998.

Attached you will find the items that the committee believes will answer each of the questions raised in your aforementioned letters. The committee has received some responses for contributor information and those amended changes are attached as well.

Your letter references an excessive contribution. The committee is in receipt of a letter from the contributor that redesignates check #69987 to be used for the General Election in 1998.

The committee has also provided the missing and unclear purposes of disbursements on Schedule B of the report.

The Committee plans to file a complete amended report as soon as the remaining contributor information has been received. In the mean time, the amended pages in which we have received information are attached for your review. If, however, the commission believes this is not acceptable, please contact us and we will follow the necessary procedures.

Sincerely,

Gloria Simmons
Campaign Treasurer
